Seat Cushion is Field Replaceable

Kwalu's GetWell Patient Room was awarded a Nightingale Innovation Award for Surfacing Material.

Kwalu's solid surface (1/8" thick) proprietary finish doesn't have any of the drawbacks of wood. The frames are moisture impervious, graffiti-resistant, easy to clean and maintenance-free.

Wallsaver back legs help keep walls in pristine condition.

Our patented steel-reinforced joint system uses over 20 pieces of steel in most Kwalu chairs. Stop ongoing and costly furniture replacement.

Cleanout is incorporated behind the seat cushion to prevent buildup of debris while providing a clean look.

The seat cushion can be replaced in the field.

Optional Closed Arm Panels

Optional Tall Back Cushion

Optional Linking Tables

Brake Under Load Casters

Available with or without upholstered arm panels.

For increased comfort and support in waiting or reception areas, choose the optional tall back cushion.

Optional Center and Corner Linking tables are available to provide stationary space between the chairs and fit your space.

Optional Brake Under Load Casters lock when a person sits on the chair, and unlocks when they're not for easy movement of the chair.
